

Ordering the *CELLS alive!* CD-ROM by Purchase Order or Prepayment

PURCHASE ORDERS are accepted from accredited schools and universities located within the United States. Orders are shipped upon receipt off an official PO by mail, fax or email attachment. Please include the product description of any item(s) you wish to purchase. Terms are Net 30.

PREPAYMENT: You may always send a check in US funds for the item(s) you want. Checks should be made payable to Quill Graphics. If you require an Invoice for prepayment, please email your billing and shipping address along with the item description(s) and we will provide an Invoice.
